Good disabled access to the hall. If you need disabled parking please let us know when you book and we will reserve a space outside the hall.

The Jubilee Hall is just 50 yards from The Bell pub where you can have a light lunch and park for the afternoon. The Bell has also very kindly offered to allow non-patrons to use their car park on 14 March.

More parking in Pooles Lane opposite pub. Drive as far as the turning circle by the cemetery gate at the end of the lane and park along the grass verge.
